Smart steering

Removing the hands from the handle, the machine remains upright and automatically enters the stand-by mode.

Scrubbing pressure

The unit cleans with 25 kg of constant pressure on the floor, regardless of the handle position.

TSM

Interchangeable lithium battery

21A or 29A lithium batteries, with charge indicator. Easily interchangeable with a second charged unit to guarantee longer work cycles (24/7).

360° use flexibility

Fully 360° rotatable steering guarantees a revolutionary manoeuvrability especially for the areas difficult to reach.

WILLMOP 50

Code: 9100-2000-0

For crowded spaces, one hand is enough

When the environment becomes larger and more crowded, the job doesn't have to be difficult for those who perform it. Just equip yourself with the right tools.

Introducing WILLMOP 50, a light and extremely manageable vertical scrubber-dryer. It combines the high-performance of a professional machine with the flexibility of a traditional mop, also allowing longer working time, thanks to the new generation lithium battery.
