R3 SCRUB

**YOUR EVERYDAY
CLEANING
COMPANION**

LIONSBOT

Forward-thinking Cleaning

ONE ROBOT. TWO POWERFUL MODES.

SCRUB MODE

High-powered scrubbing suitable for a huge range of environments.

- 3-HOUR RUN TIME
- 1,200M² OF CLEANING COVERAGE PER HOUR
- PICKS UP SMALL DEBRIS
- EXCELLENT DRYNESS

DUST MOP MODE

Impressively quiet and highly effective dusting.

- 7-HOUR RUN TIME
- 1,200M² OF CLEANING COVERAGE PER HOUR
- SUPER LOW CLEANING NOISE LEVELS
- COMPLETELY DRY

LARGE CAPACITY, COMPACT BODY

Personal cleaning has never been so effective—or so compact. The R3 Scrub is designed for efficient, dry scrubbing, allowing it to cover a huge area on just one charge. Its vacuum capabilities also allow it to pick up small debris like food bits and cigarette butts with no choking—out-cleaning even robots of larger sizes.

LOW RUNNING NOISE

EASY TO USE, ALWAYS

The R3 Scrub maximises accessibility with multiple modes of use — giving users maximum flexibility in all cleaning situations.

AUTOMATIC MODE

Hands-free autonomous cleaning and self-docking with just a few taps

MANUAL MODE

A durable, stainless-steel handle makes hands-on control easy

LIONSCLEAN APP

Complete control in the palm of your hand - the LionsClean app is an easy, remote way to command your R3 Scrub

TOUCHSCREEN MODE

The in-built touchscreen gives greater accessibility - no apps required

THE ROBOT WITH PERSONALITY

A powerful and personable robot, the R3 Scrub's large display allows for greater interactivity as well as customisation, allowing you to display greetings, key messages, or even your company name.

REFUEL STATION (OPTIONAL)

A powerful starting point for the R3 Scrub, the refuel station charges, drains water waste, and refills the cleaning tank automatically, simplifying your everyday cleaning routine.

The refuel station requires electrical point, fresh water inlet, drain floor trap.

THE EVER-RELIABLE ROBOT

Built for greater reliability and safety, the R3 Scrub is designed to the most stringent standards, with top quality components and materials.

BUILT TO LAST

The R3 Scrub was designed for impressive durability with a stainless steel chassis and brush deck—the robot you can rely on.

LONG BATTERY LIFESPAN

A durable battery that can last 1,500 charging cycles. Powered by quality—literally.

MADE IN SINGAPORE

Rest assured that great quality is guaranteed, with all production kept exclusively in-house at our Singapore headquarters.

DESIGNED FOR SUSTAINABILITY

Meet the cleaner that's built cleaner. From using just 6 litres of water per hour to helping a charitable cause with every clean, the R3 Scrub delivers powerful cleaning that truly makes a difference.
