

World Leaders in Escalator Travelator Cleaners

COMPARISON BETWEEN ORIGINAL ROTOMAC 360 AND NEW ROTOMAC ET15B

Original Rotomac 360 has 11 brushes.
The new Rotomac model ET15B has 15 brushes new tanks, trolley and hood design.
The Rotomac ET15B has a battery back-up for removing the machine safely from the escalator should there be a power surge or a fault with escalator.

New, improved stainless steel buttons on control panel - more durable.
Plug socket located on the ET15B for the T10 attachment (Travelator cleaning machine).
Time settings increased to include a 15 seconds option for quick "maintenance" cleaning.
