

Introducing the
Wave 1.0
Urinal Mat

The Wave 1.0 Urinal Mat contains up to 30% more fragrances which is more than other urinal screens in the market. Also thanks to the carefully designed ribs, the Wave 1.0 Urinal Mat prevents anti-splash diffusing urine stream and splashing onto walls, floors and clothes reducing cleaning time by up to 50% meaning less cost. Wave 1.0 Urinal Mat can be used in **all urinals even waterless urinals**. No harsh chemicals or dangerous bi-products to worry about and these are 100% Biodegradable.

Each pack contains a disposable glove ensuring hygienic placement and disposal. A used Wave 1.0 will shrink by 30% in 30 days, highlighting time to change the mat.
